

GNA branding standards

LOGOS

The GNA logo can be found on the N Drive under **GNA Marketing > GNA Logos**. It comes in a variety of layouts to fit many uses:

GNA Names 1 Line

GLADSTEIN, NEANDROSS & ASSOCIATES

GNA Names 3 Lines

GNA Names 3 Lines with Tagline

Building an Environmentally & Socially Responsible Future

GNA Only

Each logo layout comes in three possible colors:

Color (Grey and Teal)

Black

White

Within the proper layout and color folder, select the format your application requires. For the highest quality output, select a vector file format such as AI or EPS. For most uses, select GIF, JPG, or PNG. Files are labeled "Lg"-Large, "Md"-Medium, "Sm"-Small, and "Th"-Thumbnail. Images with transparent backgrounds are labeled "Transp." If you do not find the combination of layout/color/format/size/background you need, contact your graphic designer who will happily create the file and add it to the proper folder.

COLORS

The GNA logo uses the following colors:

Pantone 307 100c 16m 0y 27k Or 114g 147b

Pantone Cool Gray 8 0c 1m 0y 43k 140r 141g 142b

The GNA brochure and other marketing materials also use the following colors as accents:
